Subject: Happy News. Rebeka Isaac is presenting

I just got off the with Rebeka Isaac. She and her parents totally misunderstood the email from Veda Reed (EPA). They thought they had to pay for everything up front and wait for reimbursement. She shared that she has been very sad thinking she couldn't attend. We both are happy campers right now.

She will send in the travel forms on to Veda Reed. Because she thought she was not attending she stopped work on her presentation, but will have it to me by 2 p.m. on Wednesday.

We are now back to our original three students.
